

# MRS. COHEN'S MATH CLASS GUIDELINES FOR STUDENTS AND PARENTS

Welcome to sixth grade! All of the information on this sheet can also be found on my website.  
[http://iapps.pvcsd.org/PVIWEB/mcohen/Mrs.\\_Cohens\\_Website/Welcome.html](http://iapps.pvcsd.org/PVIWEB/mcohen/Mrs._Cohens_Website/Welcome.html)

## 1. Always bring to class:

- Binder
- Homework (kept in binder with note)
- Assignment Pad
- Looseleaf Paper(kept in binder)
- Two sharpened pencils
- Laptop case

## 2. Classroom Notes:

All notes will be kept in the math section of the binder in order by date. Bring the binder home to review notes that will help complete the homework correctly.

## 3. Homework & Assignments:

**A pencil is required for all math homework!**

We use a program at PVMS called study wiz. This is the link: <http://studywiz.pvcsd.org/>

Homework is posted on the studywiz calendar daily. Just sign in and click on the date of the calendar. It will be updated daily by 3:00pm.

**Homework must always be handed in on time with the proper heading.**

**Student should use the margin to number the homework problems vertically showing all work.**

Name	Teacher/Period
Date	Subject
Assignment	

Points will be deducted from the homework if it is late or not showing all work to prove your answers. You will be required to complete assignments again if incomplete or done in pen. You need to be able to erase and fix your mistakes so please use pencil only.

**Calculators may be used to check your answers, but all work must be shown on paper.**

## 4. Parent Communication:

**Every test and quiz will require a parent signature after it is graded.** When a unit is completed and I have checked test signatures, we will organize the unit and students will keep it home to use later in the year to review for final exams. Parents and students can email me with questions or concerns at any time during the year at: [mcohen@pvcsd.org](mailto:mcohen@pvcsd.org). I check my email daily, but may not be able to reply right away since I am in the classroom with children or attending meetings most of the day. Therefore, please allow me about 24 hours to respond. My phone number is **528-8101 ext: 2215** if you don't have access to email. For immediate response you must call the main office, for example, if a child will be picked up early for an emergency.

## 5. Absences:

If students are absent it is their responsibility to ask me about what was missed and get the notes from me or another student first thing in the morning during homebase. This should take place before announcements; it shouldn't wait until the beginning of the class. Students can log on to study wiz to get the homework assignments from home. They can also call a homework buddy to see what they missed in school.

I have read and understand the guidelines: \_\_\_\_\_ (parent signature)

Student signature: \_\_\_\_\_
