

NEW SOCIAL SKILLS GROUPS FOR TEENS

WJCS is offering a new social skill group for teenagers with Autism Spectrum Disorders and Age Appropriate Language Skills, ages 15 to 18.

Group meets twice monthly on Thursday evenings

► Teens will have the opportunity to make connections with others, reinforce strengths, develop, practice and apply social skills in a relaxed, supportive, fun environment. Trips into the community help teens generalize skills. Pizza dinner included.

► A parent support group will run concurrently with the social skill group, enabling parents to network, share coping strategies, and strengthen skills in advocating and preparing their child for transition into the adult world.

***For more information, please contact:
Elizabeth Ward, PhD
(914) 949 - 7699 ext 457 or eward@wjcs.com***

**The group will meet at WJCS Headquarters
6:00 – 7:30 PM
845 North Broadway - White Plains, NY**

An assessment with your child is required prior to attendance.
Fees vary. Some groups may be billed through private insurance and Medicaid.
